

protection worth smiling about

Easily access the care you need with our dental coverage

Regular dental care is one of the best ways to maintain a winning smile. It's also an important way to protect one's overall health, but the cost of care can add up with preventative cleanings, exams, and more serious procedures. Dental insurance can help. AXA⁴ has partnered with Maximum Care, a national PPO network, to provide flexible dental coverage.

- Access to **one of the largest dental networks nationally** with a focus on neighborhood dentists
- **Extensive coverage**, including routine cleanings, fillings, and major dental procedures, as well as optional orthodontia and teeth-whitening benefits
- Clear benefits explanations to help employees **better understand and anticipate out-of-pocket expenses**
- **Roll Over Benefit** - Carry over unused benefit dollars to the next year.
